Psychiatric Services to Focus on Treatment of Anxiety in 2001

Next year *Psychiatric Services* will publish a series of articles on the treatment of anxiety. The editor of the series, Kimberly A. Yonkers, M.D., of the Yale School of Medicine in New Haven, Connecticut, invites contributions that address anxiety disorders, including panic disorder, agoraphobia, obsessive-compulsive disorder, social phobia, posttraumatic stress disorder, and generalized anxiety disorder. Papers should focus on integrating new information that is clinically relevant and that has the potential of improving some aspect of diagnosis or treatment of one or more of these conditions.

Please contact Dr. Yonkers for more information about appropriate topic areas.
